ne world's finest resorts:
BALI AT JIMBARAN BAY.

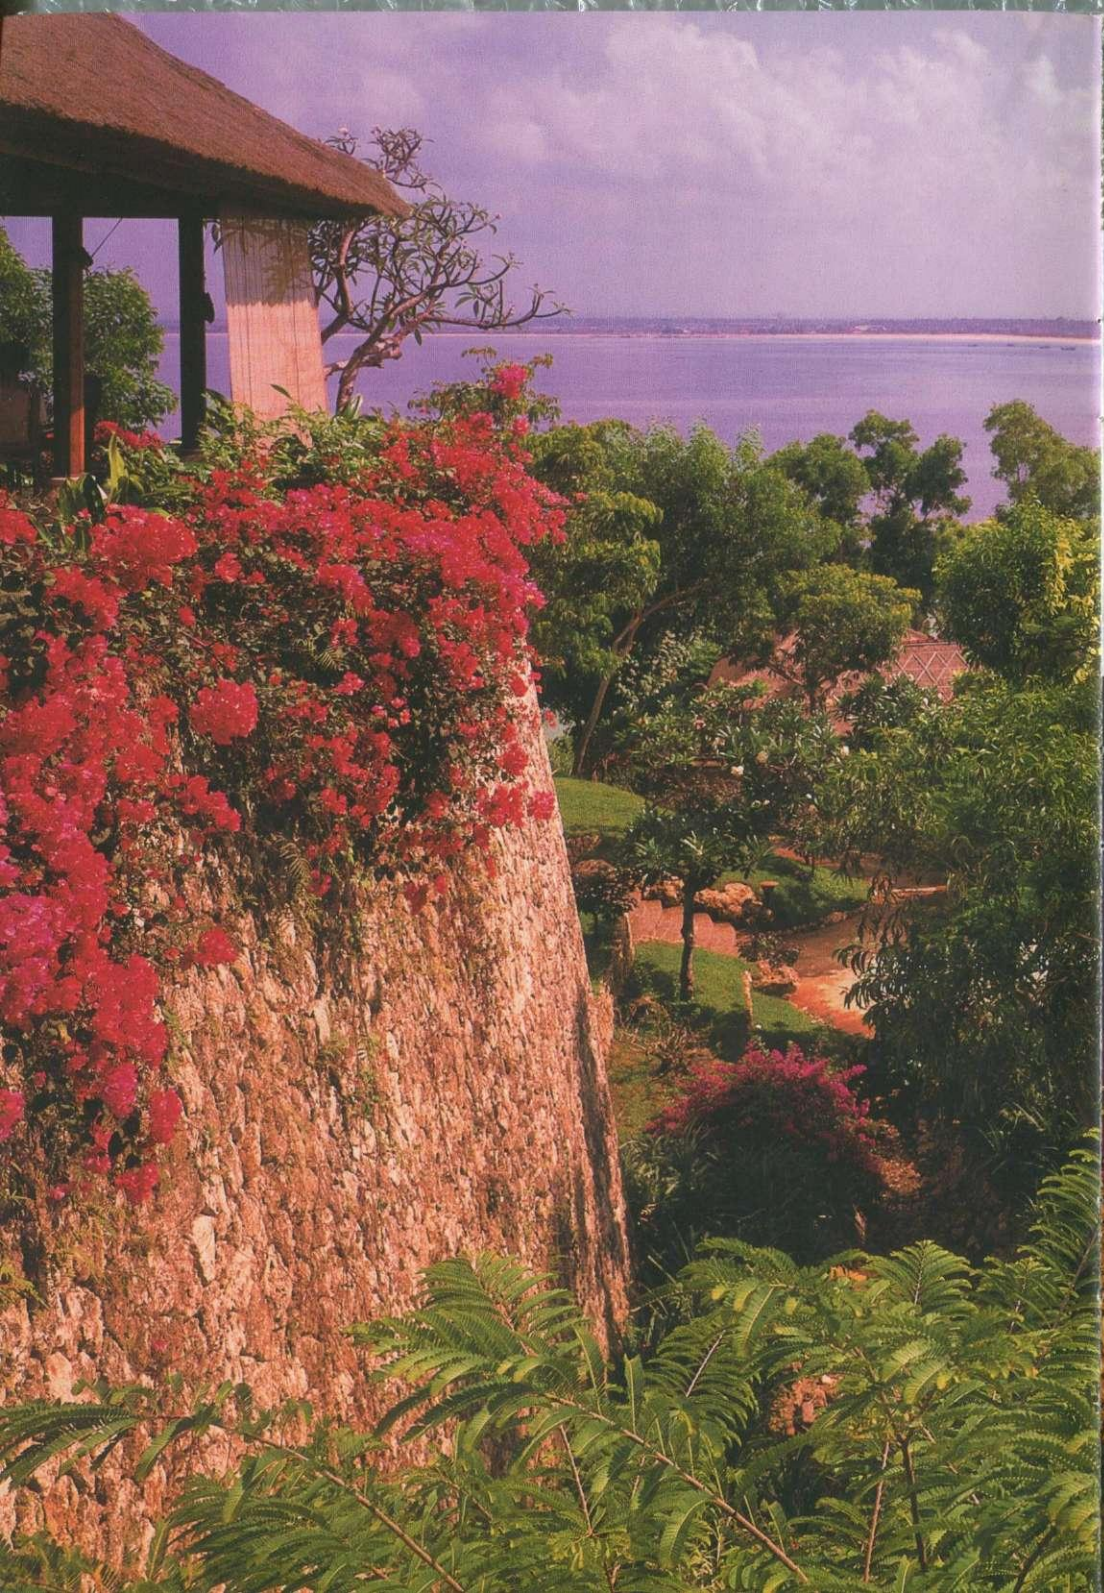

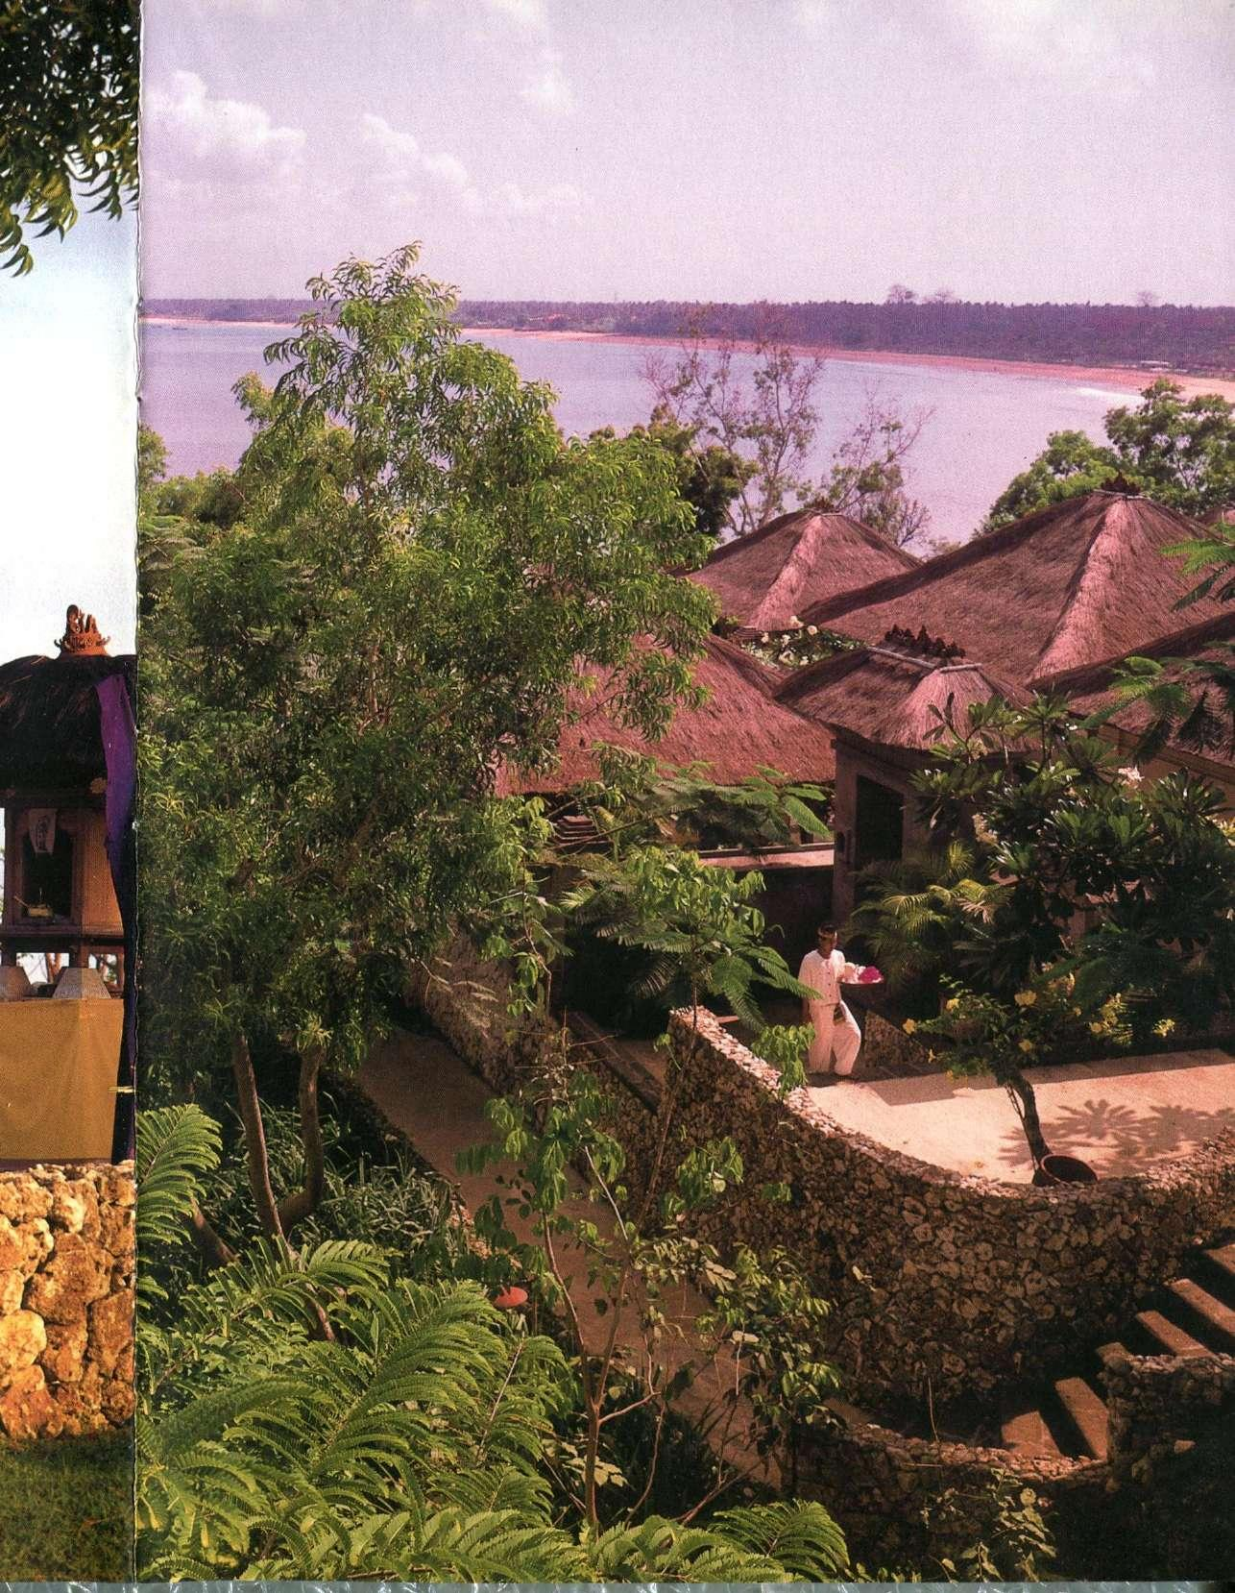

ich in cultural and geographic diversity, Bali is the
brightest jewel on the Indonesian archipelago.

This Four Seasons Resort is secluded on the shore of Jimbaran Bay – the island's most beautiful bay – just a 15-minute limousine ride from the international airport.

our Seasons Resort Bali at Jimbaran Bay. Imagine the tranquillity of a spacious Balinese villa, completely yours and hidden behind intricately carved gates. Step inside to a tropical garden, where traditional thatched pavilions embrace a private courtyard. Your glistening plunge pool seems to be part of the blue bay before you. Now, imagine closing your gates, and never, ever having to venture beyond... unless you wish to indulge in Balinese spa treatments, sip cocktails on the beach, or explore the ancient magic of Bali.

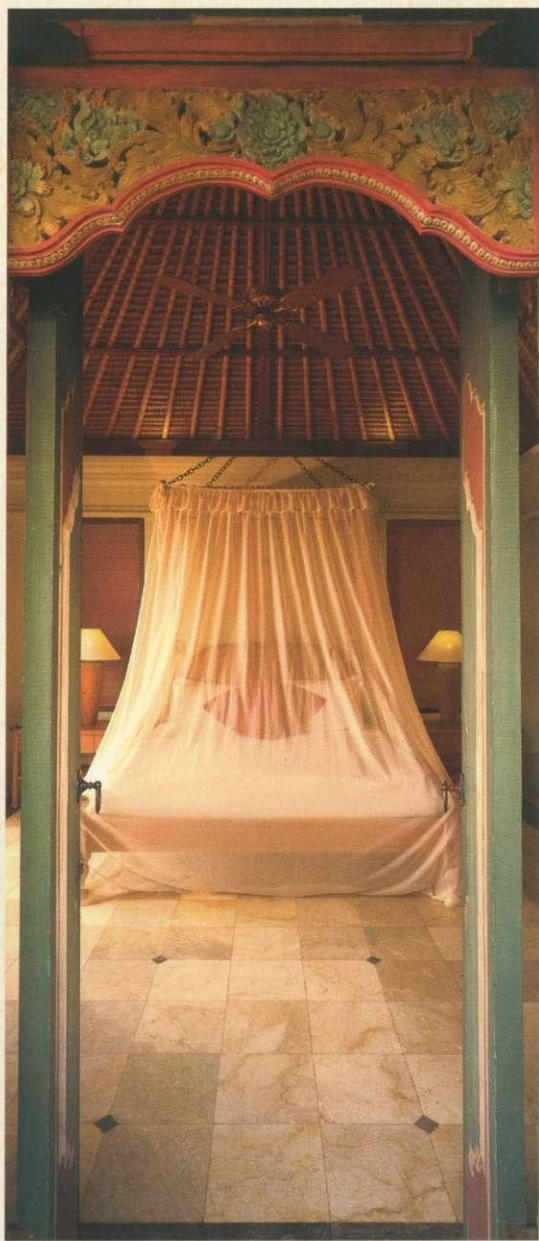

Even the lobby of the Resort communicates reverence and enchantment, its elegant Balinese architecture glowing against a panorama of azure and green.

ust 147 villas, clustered into seven villages, terrace down the gentle hillside amidst hewn stone paths and luxuriant gardens to Jimbaran Bay. At your gate, the village chief greets your arrival with quiet dignity, and thereafter takes responsibility for your comfort in his home. Welcoming in the light and scent of the tropics, within every villa are separate pavilions for sleeping, living and bathing, a private plunge pool and a secluded garden shower. Palatial Royal Villas offer the luxury of a personal swimming pool, in addition to a cool plunge, whirlpool and sauna. Everywhere, the unspoken message is one of privacy and peace.

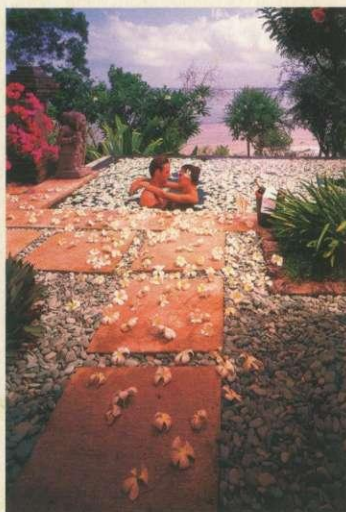

he bathing pavilion caresses every sense. Marble cools underfoot. The sea air tastes fresh. Sunlight plays in and birdsong filters from the bathing garden. Frangipani leaves and herbs perfume the opulently deep soaking tub.

P.J.'s, one of the island's few beach front restaurants, is at your doorstep for fresh seafood, Indonesian dishes, pizza from the wood-burning oven... or jazz beneath the stars.

he Resort presents very distinct dining experiences.

The elegant Taman Wantilan, for imaginative menus complemented by Balinese antiques at dinner, fresh flowers at breakfast.

The Terrace Bar and Lounge, for cocktails or afternoon tea. The

Pool Terrace Cafe, for refreshments or light meals between dips.

Or, nestled at home by candlelight in your pavilion, through

sumptuous villa service that answers your call around the clock.

relaxing and revitalizing escape is waiting

just steps from your villa...

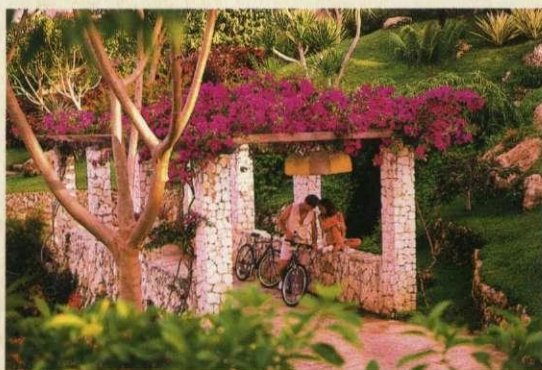

The main pool gently cascades off the edge of the earth. Glorious head-to-toe Spa treatments include the Royal Lulur: a deep Balinese massage, herbal scrub and soothing rub with yoghurt. Yours for the asking are wind-surfers, catamarans, canoes, mountain bikes, a well-equipped fitness and exercise studio, and floodlit, super-grass tennis courts.

Nearby, Bali's beauty and diversity await those ready for exploration – and our Concierge would be pleased to assist with any arrangements. At the Resort, enjoy beachside jazz at P.J.'s. Or Balinese dance and music. Not far away, golf at the spectacular Bali Golf and Country Club. Or share such Balinese adventures as scuba diving, trekking tours or white-water rafting. A visit to the Four Seasons Resort Bali at Sayan will also add variety to your stay in Bali. Opening shortly, this newest tropical retreat on the spectacular Ayung River is just ten minutes' drive from the colourful arts centre of Ubud. And when you prefer to simply revel in the peace and privacy of your villa, our library of books and recorded entertainment is at your disposal.
